

# WIARTON COMMUNITY CHURCH & FAMILY SERVICES

*Serving the Bruce Peninsula and Neyaashiinigmiing*

## COMMUNITY & FAMILY SERVICES

The Wiarton Salvation Army provides a variety of holistic support programs, designed to meet the community where we live by fulfilling the mission to share the love of Jesus Christ, meet human needs and be a transforming influence.

Our nutritional supports currently include the Bruce Peninsula Community Food Bank, the Nawash Food Bank, the hot lunch program and the community garden.

Our financial supports currently include assisting with emergency funding (to a maximum of \$400), assistance with the government applications for LEAP (Low-income Energy Assistance Program) and the Ontario Electricity Support Program. Assistance with other program applications, including Bruce County Housing and Housing Stability is also available.

Spiritual care and support is also available in the form of Bible studies, memorial services, mentorship and church services on Facebook.

## COVID-19 CHANGES

With the Covid-19 restrictions, the Tuesday community hot meal is no longer a reality. However, hot meals are delivered on Tuesdays and Thursdays to over 125 people in the community.

Approximately 30 weekly food hampers are also distributed, in addition to the Bruce Peninsula Community Food Bank services provided. These hampers assist approximately 215 families.

## PATHWAY of HOPE

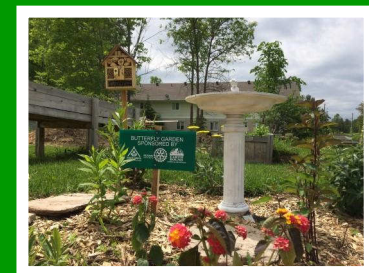

Pathway of Hope is a strengths-based case management approach to providing targeted services to people with a desire to take action to break the cycle of crisis through goal setting.

There are currently eight people enrolled in the program. For more information, please contact Taia.

## HOPE SPRINGS COMMUNITY GARDEN

Some of the plans for the community garden include building a gazebo and amphitheatre, planting apple trees and inviting community members to plant and tend raised beds.
